

LYMINGE PARISH COUNCIL

TERMS OF REFERENCE WORKING GROUPS

NEIGHBOURHOOD PLAN WORKING GROUP [Agreed 05.02.24]

1. To produce the Neighbourhood Plan

While this term of reference seems open-ended, it is important to remember that working groups have legal limits and this TOR should work alongside LPC's WG policy, the Financial Regulations, Standing Orders and other relevant documentation and legislation.

PLAY PARK WORKING GROUP [Agreed 05.02.24]

1. Meriden Park (Etchinghill)
2. Mount Pleasant (Lyminge)
3. Rhodes Minnis Play Park

While the terms of reference of the play park working group will allow for action to be taken for all three play parks listed above, the Etchinghill play park will need to take priority as it is currently closed to the public.

HISTORIC ENVIRONMENT WORKING GROUP [Agreed 05.02.24]

1. Signage at St Eadburg's Well
2. Restoration of the name 'St Eadburg's Well'
3. Royal Kentish Camino project - Working alongside relevant groups to produce content for the LPC website.
