

# Lyminge Friends

## Report for the Annual Parish Meeting – 31.05.22

Lyminge Friends is a social group for retired people who meet on the first Wednesday morning each month for a Talk, often going out for lunch immediately afterwards. A couple of times a year we go on outings to places of interest. This year we have a trip to Walmer Castle in June and a Christmas themed visit in November. There is always a Christmas Lunch Party with a Secret Santa and raffle in December and we get together for Lunches on Easter Monday and New Year's Eve. Lyminge Friends is getting back on its feet again.

Since restarting in last September we have hosted talks on a variety of subjects, including: A Visit to Florence, the Craft of the Clockmaker, Banksy and Street Art, The Battle of Little Bighorn (Custer's Last Stand), The Salutation Gardens, The Secret Port of Richborough, and, Women Pilots of the Second World War.

Everyone is welcome to attend our talks, you don't have to be retired, just have the free time.

Rising fuel costs meant that we had to raise our entry fee to £3.50 this year, and unfortunately, we can see another increase before long but we have survived and that's the main thing. Onward and Upwards!!

Photos here are: Lunch at the Kings Arms, Elham and our entry into the Christmas Tree Festival:
